2 November 2021

Confirmations made under Rule 28 of the City Code on Takeovers and Mergers (the “Code”)

On 28 October 2021, Meggitt PLC (the “**Company**” and, together with its group, the “**Group**”) released a trading update for the third quarter ended 30 September 2021 and outlook for the full year (the “**Trading Update**”).

In the Trading Update, the Company noted that, while it was pleased to see signs of the civil recovery across its business, the supply chain disruption and softer defence trends it experienced in the third quarter were expected to continue throughout its historically strongest, fourth quarter. Accordingly, in the Trading Update, Meggitt revised its guidance for the full year and stated that it now expected to deliver:

- Revenue around 5% lower than 2020 on an organic basis
- Underlying operating profit to be in a range of £170m to £190m
- Positive free cash flow

The statement that underlying operating profit is expected to be in the range set out above constitutes a profit forecast for the purposes of Rule 28.1 of the City Code (the “**Revised Profit Forecast**”).

For the avoidance of doubt, the Revised Profit Forecast replaces the Meggitt Profit Forecast¹ as set out in the shareholder circular published by Meggitt on 16 August 2021 (the “**Circular**”) containing, among other things, the scheme of arrangement under the Companies Act 2006 to implement the acquisition of the Company by Parker-Hannifin Corporation (“**Parker**”). Accordingly, the Company no longer considers the Meggitt Profit Forecast as set out in the Circular to be valid.

The directors of the Company (the “**Directors**”) have considered the Revised Profit Forecast and confirm that it is valid and has been properly compiled on the basis of the assumptions set out below and that the basis of accounting used is consistent with the Company’s accounting policies which are in accordance with IFRS and are those that the Company applied in preparing its financial statements for the financial year ended 31 December 2020.

The basis of preparation of the Revised Profit Forecast, including the principal assumptions on which it is based, are set out below.

¹The Circular repeated a profit forecast, first set out in the Company’s preliminary statement of annual results for the financial year ended 31 December 2020 published on 4 March 2021, that the Company expected the Group to generate an increase in underlying profit versus 2020 (the “**Meggitt Profit Forecast**”). The Group’s underlying operating profit for the financial year ended 2020 was £190.5m.

Basis of preparation and principal assumptions

The Revised Profit Forecast is based upon internal forecasts of the Company and excludes any impact from any successful acquisition of, or any unsuccessful attempt to acquire, the Company (an “**Acquisition**”). In particular, the Revised Profit Forecast excludes any costs associated with an Acquisition and does not take into account any future effect that may result from completion of an Acquisition.

Assumptions

In making the Revised Profit Forecast, the Directors have made the following assumptions in respect of the remainder of the financial year ending 31 December 2021:

Factors outside the influence or control of the directors of Meggitt

- Continued recovery in civil air traffic and limited further extended disruption to normal operations during the remainder of the financial year ending 31 December 2021 as a result of additional lockdowns or other COVID-19 related restrictions;
- In both civil OE and the civil aftermarket, strong year on year revenue growth in the fourth quarter of 2021;
- The softer defence trends seen in the third quarter continue throughout the fourth quarter;
- No further deterioration in supply chain trends that would impact Group profitability;
- No material change in market conditions for the remainder of the financial year ending 31 December 2021, particularly in relation to customer demand or the competitive environment;
- No material adverse events which will have a significant impact on the operating results or financial position of the Group;
- No material changes to labour costs, including pension and other post-retirement benefits;
- No material change in interest, tax and inflation rates in the markets in which the Group operates;
- No sustained strengthening of pound sterling above the average foreign exchange rates that have applied during the period 1 January 2021 to the business day prior to the date of this announcement in respect of the major territories in which the Group operates, in particular the US dollar;
- No material adverse outcome from any ongoing or future disputes with any customer, competitor, regulator or tax authority; and
- No material change in legislation, taxation, regulatory requirements or the position of any regulatory bodies impacting the Group’s operations or accounting policies.

Factors within the influence or control of the directors of Meggitt

- No significant acquisitions, disposals, partnership or joint venture agreements being entered into by the Group;
- No material change in the dividend or capital policies of the Group;
- No material change to the senior leadership team of the Group;
- No material change to the Group's strategy; and
- The Group's accounting policies will be consistently applied over the forecast period to 31 December 2021.

Notice to US investors

The Acquisition relates to shares in an English company and is proposed to be made by means of a scheme of arrangement under English company law. US Meggitt Shareholders should note that the Scheme relates to the shares of an English company and will be governed by English law. Neither the US proxy solicitation rules nor the tender offer rules under the US Exchange Act will apply to the Acquisition and the Scheme. Moreover, the Acquisition and the Scheme are subject to the disclosure requirements and practices applicable in England to schemes of arrangement, which differ from the disclosure requirements of the US proxy solicitation rules and tender offer rules.

Financial information included in the Scheme Document has been prepared in accordance with accounting standards applicable in the UK and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US.

Neither the SEC nor any securities commission of any state of the US nor any other US regulatory authority has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this announcement or the Scheme Document. Any representation to the contrary is a criminal offence in the US.

To the extent permitted by applicable law, in accordance with normal UK practice, Parker or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Meggitt Shares outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. If Parker were to elect (with the consent of the Panel and subject to and in accordance with the terms of the Cooperation Agreement) to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with all applicable United States laws and regulations, including Section 14(e) of the US Exchange Act, as amended, and Regulation 14E thereunder, subject to exemptive relief, including in respect of Rule 14e-5 thereunder.

In accordance with the Takeover Code, normal United Kingdom market practice and Rule 14e-5(b) of the US Exchange Act, BofA Securities, Morgan Stanley and their affiliates will continue to act as exempt principal traders in Meggitt securities on the London Stock Exchange. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Takeover Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

The receipt of consideration by a US Meggitt Shareholder for the transfer of its Meggitt Shares pursuant to the Acquisition will likely be a taxable transaction for United States federal income tax purposes. Each US Meggitt Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

It may be difficult for US Meggitt Shareholders to enforce their rights and any claim arising out of the US federal securities laws, since Meggitt is located in a non-US jurisdiction, and some or all of its officers and directors are residents of non-US jurisdictions. US Meggitt Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Meggitt, any member of the Meggitt Group, Parker, or any member of the Parker Group contain statements which are, or may be deemed to be, "forward-looking statements", including for the purposes of the US Private Securities Litigation Reform Act of 1995. Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Meggitt, any member of the Meggitt Group, Parker, or any member of the Parker Group or the Combined Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this announcement may relate to Meggitt, any member of the Meggitt Group, Parker, or any member of the Parker Group or the Combined Group's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and all other statements in this announcement other than statements of historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms 'intend', 'aim', 'project', 'anticipate', 'estimate', 'target', 'plan', 'believe', 'expect', 'may', 'should', 'will', 'continue' or, in each case, their negative and other variations or other similar or comparable words and expressions. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Meggitt, any member of the Meggitt Group, Parker, or any member of the Parker Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Meggitt, any member of the Meggitt Group, Parker, or any member of the Parker Group's business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that may occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

None of Meggitt, any member of the Meggitt Group, Parker, nor any member of the Parker Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to Meggitt, any member of the Meggitt Group, Parker, or any member of the Parker Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Meggitt, each member of the Meggitt Group, Parker, and each member of the Parker Group expressly disclaims any obligation to update such statements other than as required by law or by

the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.
